

Electronic Flyers Flying Field Rules

You are here at your own risk!

1. No flying over the pit area.
2. (4) flyers permitted at one time and must fly in designated areas (be courteous with flying time so others may participate).
3. All aircraft engine starting in pit area.
4. Respect the area with utmost care to help keep this field in operation.
5. Please take all trash home with you.
6. First time flights or test flights are to be announced to those in attendance so that the area will be for their use only for this flight.
7. This is a club field operated by Electronic Flyers club. As members we pay dues for the use of this field. You are welcome to fly as a guest as long as you are an AMA member.

Absolutely no alcohol to be brought onto the field

8. All flyers to insert your membership card into the Flyers Board when your radio is in operation. Guests may use their AMA cards.
9. Flying times: 10:00 AM – dusk.
Most flying fields are lost due to noise.
If your motor is abnormally loud please correct this with a quiet exhaust system.
